CUSTOMER PROVIDED SAMPLE

Photographs, emails, and texts are not an acceptable substitute for physical samples when requesting a color match. Include date and contact information on the back of each sample provided.

hard sample or paint card, describe: _____

written formula: _____

other, describe: _____

I am unable to provide a sample or written formula. I understand KRETUS® is limited by the information, or lack thereof, that I have provided. If the sample provided is not to my liking, I understand I am not entitled to any monetary refund or compensation of any kind and the product is not eligible for return or exchange. Additional fees and extended lead time may be required in order for KRETUS® to alter the product.

KRETUS® PRODUCT SAMPLE

If section is left blank, KRETUS will send one (1) sample kit and one (1) drawdown card. Orders for colorant or pigment packs will receive sample kit, drawdown card, and one (1) ounce of colorant or pigment. For Urethane Polymer Concrete custom orders, standard kit rates apply. Hard sample fee is nonrefundable.

Sample kit (for onsite application)

Drawdown card (dry sample, one color, single coat)

Hard sample, \$200 additional fee (dry sample, mock-up of complete system)

I do not want samples, please proceed with my order. If the sample is not to my liking, I understand I am not entitled to any monetary refund or compensation of any kind and the product is not eligible for return or exchange. Additional fees and extended lead time may be required in order for KRETUS® to alter the product.
